**We want to thank the many supporters who have donated to Israel's causes in this ongoing war to stop Hamas terrorism.**

We continue to lift up the many families of civilians killed, soldiers murdered and hostages taken. We lift up in prayer the many Palestinians who are innocently suffering as a result of Hamas' use of them as human shields.

If you want to financially support Israel you may donate through our Canada Helps page. Please indicate that the money is for Israel.  
Thank you.

Please continue to pray for those on both side of this terrible conflict.  
Evil will not end until the Messiah returns, so we pray as well for His soon coming to heal the hate and restore His klngdom.

You will receive an official tax deductible donation receipt from us.  
Peace in Yerushalayim (Jerusalem) means peace for the world.
