The war continues, as does the heartache and the help needed. We can support this country and people through prayer and financial means. We want to bless Israel standing strong on God's promises.

If you want to financially support Israel you may donate through our Canada Helps page. Please indicate that the money is for Israel.
Thank you.

Evil will not end until the Messiah returns, so we pray as well for His soon coming to heal the hate and restore His kingdom.

You will receive an official tax deductible donation receipt from us.

Peace in Yerushalayim (Jerusalem) means peace for the world.
