## PURIM: STRATEGIC SYNCHRONISM

An excerpt from last Saturday's message  
by Messianic Leader J. Isaac Gabizon

How extraordinary! At the same time as there is a decree to annihilate all the Jews, the king sought to reward a Jewish man who saved his life. ...only God can orchestrate such things.

## Walk and Talk Outreach

At that moment when she was retrieving the card from under the car, a Jewish woman, the owner of the car, arrived. Without hesitation the card was offered to the woman, and she was offered a gift set. She said yes and the set was given to her. This may look like a coincidence, but in God's perfect timing this Jewish woman received a precious gift from God.

There is one strong correlation between Haman, Hitler, Pharaoh and the Antichrist. Haman, like Pharaoh in Exodus attempted to wipe out the nation and more recently Hitler made anti-Semitism a state organized annihilation of the Jewish people. And there is another attempted annihilation coming up: This one is something the prophets of old speak of; that a new world leader, who John calls the Antichrist. He will also attempt this impossible feat before the 2nd coming of the Messiah.

#### The Victory in Each Event:

In wanting to wipe out the Jews, right after Pharaoh, Israel entered the Promised Land and the nation was born.

After Haman, Israel went back to the land in greater number and rebuilt Jerusalem and the Temple.

After Hitler, Israel was reborn in 1948.

After the Antichrist, Israel will be reborn a third time but this time Yeshua will forever be at her head.

We sometimes ask, “**What will suffering achieve?**” Suffering can bring unity among people and unity brings strength, a renewed focus to rebuild, and reestablish the morale that was torn asunder. In each event suffered by the Jewish people, there arose a new hope, a move forward in the strategic plan of God to bring the Messiah’s reign on this earth, when men will know God in their hearts.
