## The Commonwealth of Israel Τῆς πολιτείας τοῦ Ἰσραὴλ

*Ephesians 2:12*

An excerpt from last Saturday's message  
by Messianic Leader J. Isaac Gabizon

The revealed mystery is that Gentiles should be fellow heirs with Israel in worshipping the same God and in proclaiming the Word of God. We are Jews and Gentiles, unified in one Body, worshipping the God of the Bible. That is the fulfillment of the Feast of Shavuot, when Gentiles would join the Commonwealth of Israel.

Rabban Gamaliel:

*And so in the present case, I say to you, stay away from these men and leave them alone, for if the source of this plan or movement is men, it will be overthrown; but if the source is God, you will not be able to overthrow them; or else you may even be found fighting against God." Acts 5:38-39*

Have you ever wondered how wise, temperate, and calm Gamaliel was in his response to the apostles preaching Yeshua? He said that if this whole preaching thing is from man, it will fall, but if it is from God, then nothing can overthrow it. We would almost want to believe that Gamaliel might have had some deep inner convictions, but we don't have evidence of that and we also know that God can use even an unbeliever to utter prophecy.

Perhaps God gave this to Gamaliel because of the influence it might have had on young Rabbi Shaul who was Gamaliel's disciple. Gamaliel's statement was fairly neutral, non-committal, a far cry from Paul's zeal that we admire so much.

Let's be careful not to have too many buts and ifs in our own analysis of things. Instead, like the early church, like Peter, John, James, Paul and many more, let's walk powerfully in our faith and affirm that we believe. And let us be thankful too how God has given words to the Jewish religious leaders, showing

that He has not forgotten them. These precious statements are like nuggets of gold, for once the scales fall off their eyes they will see that God had given them clues and understanding about the Messiah all along.

## Walk and Talk Outreach

They then spoke to him about Yeshua as the Messiah and how only He could remove sin. The team learned that he was from Morocco, and unexpectedly, he asked one of the team members her last name. To everyone's surprise, they found out that the man was best friends with the father of one of the team members!
