EYE FOR EYE

An excerpt from last Saturday's message
from Messianic Leader J. Isaac Gabizon

But then came the law of the Lord, the *Mosaic Law* which carried this concept in another direction, now applying mercy and reason to make the

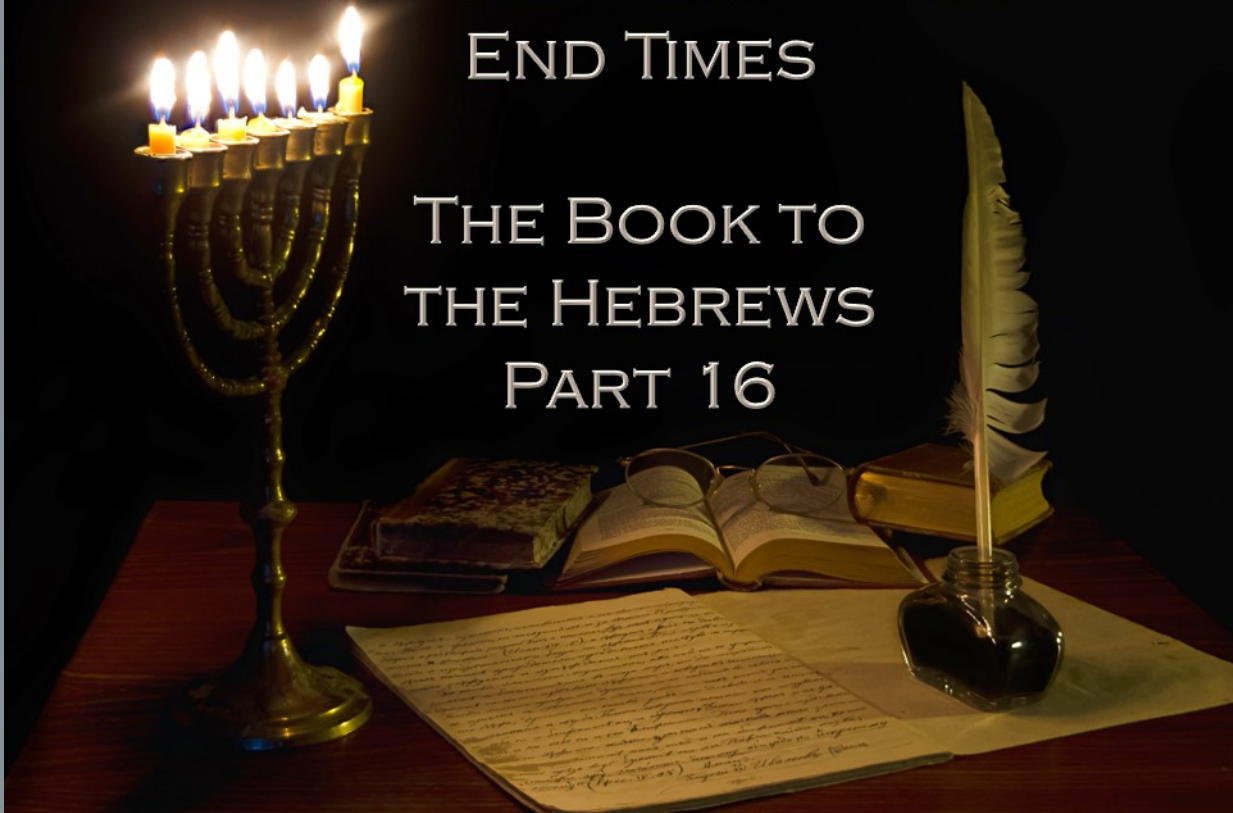

punishment fit the crime. The *eye for eye* now meant there was no more abuse...

They told her about the third temple that would be built, and how many would believe in that false Messiah related to that temple. She told them that she thought that peace would come through man, but they assured her that peace could only come when the Messiah....

ABBA

In the Lord's prayer given to us by Yeshua, we will read the status of the Father, our Abba in heaven. He is *our* Abba and therefore we are *His* children. That's the intimacy we are all looking and longing for. He is *Pater*, Father. That word Pater is used in the book of Hebrews 11:23 speaking about how Moses' parents hid him. We know from Exodus 2:2 however that his mother hid him and yet in Hebrews it uses the word Pater (in the plural), and not the usual word for parents; so it is like *fathers* hiding him.

It makes us consider this reality how God the Father is like our mother and our father for He covers all of our most intimate needs. He is the mother hen who gathers her chicks (Luke 13:34) and He is a Father to the fatherless (Psalm 68:5).

Would we ever dare feel we have the right to address God as *Abba*, such an everyday, common name, one that a child would use to call their daddy.? Such is the relationship Yeshua had with His Father and He gives us permission to call our heavenly Father, Abba. Praise the Lord for this relationship. Yeshua expressed adoration for His Father and that is the perfect pattern we are to follow. Avinu, our Father, she-ba-shamayim, Who is in heaven, we praise You.

**IN SUPPORT
OF ISRAEL**

We stand together with Israel. May the Lord continue to protect and provide through His unwavering promises.

If you would like to financially support Israel you may donate through our Canada Helps page. Please indicate that the money is for Israel. Thank you.

Evil will not end until the Messiah returns, so we pray as well for His soon coming to heal the hate and restore His kingdom.

Peace in Yerushalayim (Jerusalem) means peace for the world.
