AMAZING MORIAH

מֵרִיָּה

And this is my favorite one, that this is the place of myrrh, since the word *moor*, or *myrrh* in the Hebrew is contained in the word Moriah. And the rabbis refer to Song of Songs 4:6 which reads, *Until the day breaks And the shadows flee away, I will go my way to the mountain of myrrh And to the hill of frankincense.*

Then a lovely lady from Jamaica who was leaving the grocery store was approached by a team member and was offered the anti-Semitism pamphlet. Seeing it was about the Jews, she said she had a very dear Jewish friend who had been close to her for thirty years.

When reading bible commentaries on this narrative, they most often focus on Abraham; what he did, what he thought, and most importantly, his faith. However, little consideration is given to Isaac, yet he is the one who so closely typifies the Messiah.

We want our donors to know where the monies have been going. We have had the privilege to donate for the most part, your funds toward food, clothing and shelter to those in need (families that have been searched and found to have suffered consequences of the war).

We have also given to Israel through:
Netivyah, OneforIsrael and the **Joshua Fund**

We are looking to allocate funds to the following three charitable organizations:
Support for IDF Widows & Orphans Organization **IDFWO**
OneFamily which provides emotional support to victims of terror and war.

We also want to acknowledge a messianic organization that helps the mother keep her unborn child, and which helps mothers and families with financial and emotional counselling. Speaking to the head of **Be'ad Chaim**, we have learnt that over 1500 families were helped with diapers, clothing and other needs since the war broke out.

Please note that 100 percent of the donations sent in were distributed (no percentage kept by Beth Ariel Congregation).

We stand together with Israel. May the Lord continue to protect and provide through His unwavering promises.

If you would like to financially support Israel you may donate through our Canada Helps page. Please indicate that the money is for Israel.
Thank you.

Evil will not end until the Messiah returns, so we pray as well for His soon coming to heal the hate and restore His kingdom.

Peace in Yerushalayim (Jerusalem) means peace for the world.

The feeling that one gets when reading all these powerful prophecies (Mark 13) is that Yeshua is much more concerned about how we live and how we grow in our sanctification than all the other details given here.

THE 12 OF WARNINGS of Mark 13;
it is all about how we respond to these things.

He warns us of the coming of many false teachers. He tells us in vs.4 ***See to it that no one misleads you.*** He is so concerned for our spiritual growth and walk on the narrow.

He spoke of wars and rumors of wars. He tells us in vs.7 ***Do not be frightened.***

God is and always will be sovereign and even more at such times when danger lures His lambs. We need to trust Him.

And He asks us, in vs.9, ***To be on your guard*** always,

for we ought to do our part in the fight.

He adds in vs.11; ***Do not worry*** for every day, we ought to run to Him for faith and strength in prayer, in His Word, in fellowship and always with a servant's heart.

In vs.21, we see Him always concerned to see if one lamb might fall into the mouth of these deceptive teachers, and He says again,

Do not believe him;
check out your information.

And towards the end, even His warnings intensify; in vs.23 He says
But take heed;

In the same verse He says: ***Behold, I have told you these things in advance...***

And again in vs.33 He tells us to ***Take heed***

In the same verse He adds, ***Keep on the alert***

In the next vs.34, He adds, ***Stay on the alert***

Again in next vs.35 He says, ***Be on the alert***

And again in vs.37, the last verse, His last words in this prophecy are:
Be on the alert!
