## Israel and the Nations

Let us begin by considering what the president of Turkey, Erdogan said last week, something surprising and even startling: He issued a threat to invade Israel. This is unprecedented. - Hezbollah in Lebanon
- Hamas in the Gaza Strip
- The Iraqi Shiite militia
- Iran

We stand together with Israel. May the Lord continue to protect and provide through His unwavering promises.

If you would like to financially support Israel you may donate through our Canada Helps page. Please indicate that the money is for Israel. Thank you.

Evil will not end until the Messiah returns, so we pray as well for His soon coming to heal the hate and restore His kingdom.

Peace in Yerushalayim (Jerusalem) means peace for the world.
