An excerpt from last Saturday's message
from Messianic Leader J. Isaac Gabizon

The first mention of or allusion to the Sabbath is given in vs.5 when it says, "On the sixth day, when they prepare what they bring in, it will be twice as much

as they gather daily.” This is given without any prior explanation. It simply says, *on the sixth day*; but why mention six days?

Last Wednesday's Message

March for Jerusalem, Montreal

We would like to share with you how wonderful the March for Jerusalem was this past Sunday in Montreal. It was estimated that there were between 15 and 20,000 people, mostly from the Jewish community. Beth Ariel congregation had about 35 people who were there to wave banners, carry the Israeli flag and show a support for the community and for the existence of Israel. We were so blessed in being a part of this. Many great interactions with the Jewish community took place and we will share with you next week some firsthand conversations that went on as we got ready for this March and during the March as well. Thank you for your support in prayer.

Why do you support Israel?

There is an everlasting love that God has for this nation.	Jeremiah 31:2-4
The land, the oracles and the gifts to Israel are irrevocable.	Genesis 12:3, Genesis 15:17-18, Romans 3:1-4, 11:29
Israel is the natural branches of the Olive Tree and the Church is supported by her roots.	Romans 11:18
The return of the Messiah is related to the calling out of this nation for Him. This nation must be present for His arrival.	Zechariah 12:10
The nations (the Gentiles) are called to comfort her.	Isaiah 40:1
According to prophecy, the world will turn against Israel. We are called to pray for the peace of Jerusalem and to pursue God until her righteousness shines as a bright light.	Zechariah 12:1-14, Psalm 122:3, Isaiah 62:1,6

Remember, to her belongs the adoption, the glory and the covenants, and through this nation the greatest gift to mankind came. Yeshua said that salvation is of the Jew (John 4:22) and through this nation, through the seed of Abraham, the answer to sin and the hope of salvation has become possible for all nations.

Walk and Talk Outreach

At the last door of the evening, they experienced a special moment. A woman had come to the door and they offered her the Tanakh. One of the team members mentioned that she was a Messianic Jew to which the woman replied that her brother was a Messianic Jew also. They asked for his name, to which she replied...
